Word Aware

Teaching vocabulary across the day across the curriculum

With Stephen Parsons and Anna Branagan

23rd June 2017: 9.15 – 3.30pm

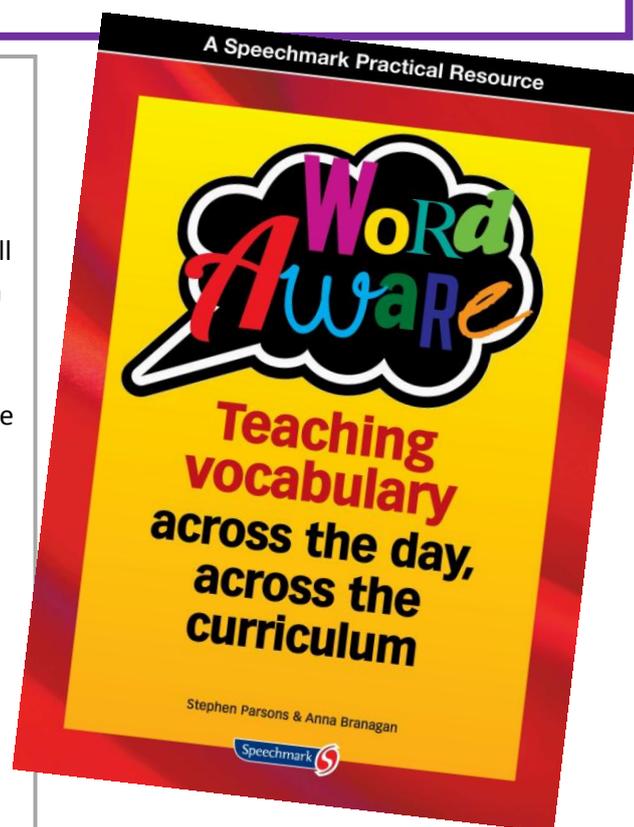

Worcestershire Young Farmers Club, Hawford, Worcester

Vocabulary is important in its own right, but it is also a powerful predictor of reading and academic success. Word Aware is a structured process that accelerates the acquisition of both spoken and written vocabulary. It uses the STAR approach to successfully teach vocabulary in the classroom. This course is full of practical ideas that are easy to apply. The trainers advocate a whole school approach but it can be used with classes, small groups or individual word learners. Useful at every level, the course is of particular value for those who start at a disadvantage – including children with special educational needs and English as an additional language.

This is a fast paced, fun and interactive workshop style day, which will leave participants well equipped to start Word Aware in their school or with individuals. This course is suitable for class teachers, curriculum co-ordinators, specialist teachers, SENCOs, Head teachers, speech and language therapists and educational psychologists.

Anna Branagan and **Stephen Parsons** are both speech and language therapists with extensive experience of working with children in schools.

£135 per place
includes a copy of the
Word Aware book
