Word Aware 2

Teaching vocabulary in the **early years**

With Stephen Parsons and Anna Branagan

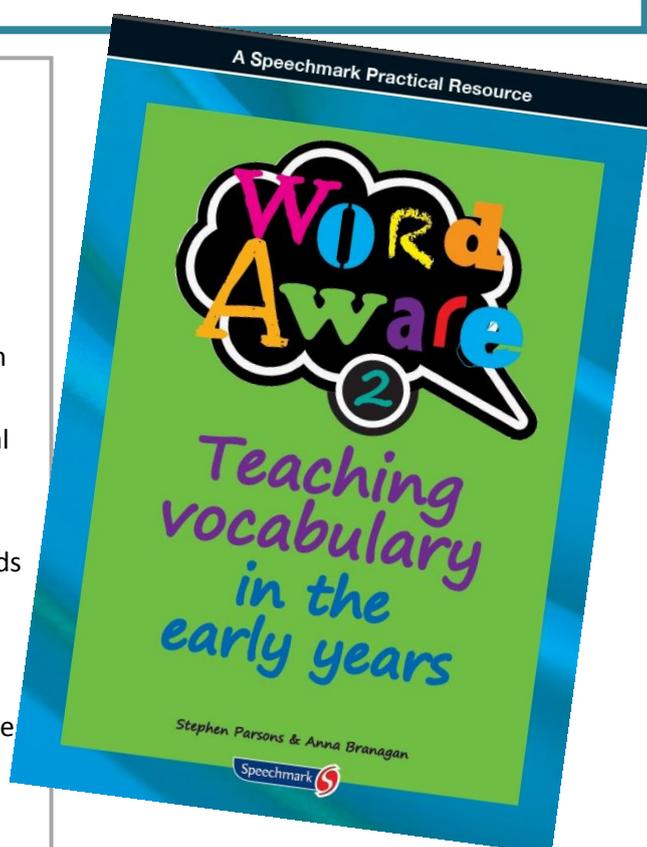

11th May 2018: 9.15 – 3.30pm

Young Farmer's Club, Shires Farm, Hawford, Worcester

This new publication focuses on developing vocabulary in the early years!

This new book is based on the highly regarded and successful Word Aware book for school age children. Vocabulary development is key in the early years and can be a powerful predictor of reading and academic success. Word Aware 2 is a structured process that accelerates the development of spoken vocabulary. It uses the STAR approach to successfully teach vocabulary in early years settings. This course is full of practical ideas that are easy to apply. Useful to develop every child's vocabulary but of particular value for those who start at a disadvantage – including children with special educational needs and English as an additional language.

This is a fast paced, fun and interactive workshop style day, which will leave participants well equipped to start Word Aware 2 in their early years setting. This course is suitable for anyone working in early years.

Anna Branagan and **Stephen Parsons** are both speech and language therapists with extensive experience of working with children in schools.
